May 10, 2022

Jeanne Shaheen  
Subcommittee on Commerce, Justice, Science  
U.S Senate Appropriations Committee  
Washington, D.C. 20510

Jerry Moran  
Subcommittee on Commerce, Justice, Science  
U.S. Senate Appropriations Committee  
Washington, D.C. 20510

Madam Chair,

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal year 2023 Commerce, Justice, Science and Related Agencies Appropriations Bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate.

Sincerely,

---

Cory A. Booker  
United States Senator

**Booker, Cory(D-NJ) Commerce, Justice and Science  
Congressionally Directed Spending Requests**

<b>Recipient Name</b>	<b>Project Purpose</b>	<b>Project Location</b>	<b>Amount Requested (\$000)</b>
Borough of Bogota	The Borough of Bogota is requesting funding to purchase comptable accessories necessary to replace our damaged two-way-radio system.	Bergen NJ	\$255
Borough of Manville	To expand and upgrade emergency siren technology in Manville to further public safety.	Somerset NJ	\$208
Borough of Woodcliff Lake	The purpose of the project is to install security cameras at various locations throughout the Borough, including the Tice Senior Center and the Department of Public Works. There were 22 total crimes reported in Woodcliff Lake, New Jersey in 2020. There are seven crime categories used to track crime throughout the country, three property crime categories: larceny, burglary, motor vehicle theft, and four violent crime categories: aggravated assault, robbery, rape, and murder. In 2020, there were 15 larcenies, 3 burglaries, 3 motor vehicle thefts, and 1 aggravated assault in the Borough of Woodcliff Lake, New Jersey. Installing security cameras at Tice Senior Center and the Department of Works is a good use of taxpayer funds because it will protect our most vulnerable populations, such as seniors, from crime experienced within our Borough.	Bergen NJ	\$219
Burlington County	For the installation of bidirectional amplifiers to improve emergency communications.	Burlington NJ	\$1,200
Camden Center for Youth Development, Inc.	to provide Community Coach Mentors (Credible Messenger), specific assistance and transportation services for at-risk or justice involved youth	Camden NJ	\$324
City of Englewood	To address significant equipment and infrastructure issues that exist within the Englewood Public Safety Division that pose safety, privacy, and interoperability issues.	Bergen NJ	\$1,800
City of Union City	To replace the Department's City-wide communications system which is now obsolete and vulnerable to system outages and security attacks.	Hudson NJ	\$1,200
Georgian Court University	For costs to improve campus safety & security technology.	Ocean NJ	\$763
Inspira Health Network	To purchase equipment and expand and enhance services that will impact youth directly and positively in Bridgeton, Millville, Vineland and surrounding communities in order to prevent community youth violence.	Cumberland NJ	\$1,000

Legal Assistance for Low-Income Victims of Crime	To provide free legal counsel and representation to low-income victims of crime. This will further Women's Rights Information Center's (WRIC) mission to provide knowledge and opportunities to support the economic aspirations, self-sufficiency, and emotional well-being of individuals so they may live with hope, security, and dignity.	Bergen, Hudson, Passaic NJ	\$255
Monmouth University	To investigate impacts of climate related environmental change on marine habitats and living marine resources around the Sandy Hook peninsula (Sandy Hook Bay, Raritan Bay, Lower New York Harbor) to promote more vibrant and sustainable commercial and recreational fisheries.	Middlesex, Monmouth NJ	\$500
New Jersey Coalition to End Domestic Violence	To assist survivors of domestic violence who are marginalized due to culture, language, financial or other means with hiring an attorney in domestic violence related custody and divorce matters.	Atlantic NJ	\$500
NJ Chamber of Commerce Foundation	"To ensure that New Jersey students who have a high risk of dropping out of school graduate from high school prepared for the challenges of post-secondary education and the workforce in order to break the cycle of poverty and avoid entrance into the corrections system so that they may become productive, contributing members of their communities. The Jobs for America's Graduates New Jersey (JAG NJ) program has a 10-year track record of success in transforming the lives of young adults who are at a high risk of dropping out of school, or who have already dropped out, and utilizes data collection, innovative technology and a nationally successful model to achieve consistent graduation rates of 93% to 100% in NJ high schools that have graduation rates of 36% to 88%."	Atlantic, Cumberland, Essex, Middlesex, Ocean, Passaic NJ	\$500
NJCASA Accessibility Capacity Building Project	For operating costs to expand accessibility capabilities in order to better serve sexual violence survivors with marginalized identities across New Jersey (NJ), including but not limited to survivors of color, LGBTQ+ survivors, survivors with disabilities, deaf/hard of hearing (DHH) survivors, and linguistically diverse survivors. Recommended accommodations that will be made available through this project include but are not limited to: closed captioning, American Sign Language (ASL), translation/transcreation services, assistive technology, revision of policies and program materials (e.g., intake forms), and cultural humility training and workshops.	Atlantic, Bergen, Burlington, Camden, Cape May, Cumberland, Essex, Gloucester, Hudson, Hunterdon, Mercer, Middlesex, Monmouth, Morris, Ocean, Passaic, Salem, Somerset, Sussex, Union,	\$445
North Hudson Regional Fire & Rescue	To acquire a new 40 foot Interceptor Patrol boat to replace our existing 27 foot vessel which is more than a decade old, past its useful life, and not designed for the type of waterway we patrol (Hudson River). This investment would enhance our ability to respond to emergencies in the Port involving fire, ice and cold water rescue and communications with Port partners and would be used as a first responder in the Port of New York and New Jersey, for regular patrols, and for training missions including USCG approved training and exercises.	Bergen, Essex, Hudson, Middlesex, Union NJ	\$700

Robbinsville Township Police Department	To purchase a Traffic Message Board for OEM and Traffic Calming.	Mercer NJ	\$20
Rutgers University-New Brunswick	To procure two state-of-the-art hurricane gliders to be dedicated to deployments along the New Jersey coast throughout hurricane season. These two gliders would support more accurate hurricane intensity forecasts for New Jersey and the Mid-Atlantic Region.	Atlantic, Cape May, Cumberland, Hudson, Middlesex, Monmouth, Ocean, Salem NJ	\$600
Rutgers University-Newark	To support creation of a one-stop reentry, education, workforce, business development and community hub for justice impacted youth and people re-entering our community from incarceration.	Essex NJ	\$500
Salvation and Social Justice	To reduce gun violence that is killing our children in Trenton, New Jersey. On March 25, 2022, a 9-year-old girl was killed in front of the Kingsburg housing complex in Trenton, New Jersey. This tragic death is one of far too many senseless deaths in the city. In 2020, Trenton– with a population of 90,871 experienced 40 homicides, surpassing its deadliest year on record in 2013. And, to provide Community Led First Response team to the community.	Mercer NJ	\$550
Seton Hall University	To assist in re-entry efforts by increasing accessibility to relief from criminal records for people upon release from incarceration who face barriers to reintegration into the community. This initiative would help people in Newark and Essex County re-entering the community after incarceration to address legal issues related to their ability to secure a job, health care, housing, and other essential aspects of life upon reentry.	Essex NJ	\$632
Stockton University	For siting a Coastal Resilience and Maritime Workforce Development Center in Atlantic City to support research and training in alternate energy, coastal resilience and maritime safety.	Atlantic NJ	\$2,700
The Town of Harrison	For the complete improvement of our overall communications capabilities for our public safety providers.	Hudson NJ	\$563
Town of Newton	To purchase and install upgraded, interoperable 911 emergency communications response systems in Newton, Andover, Hardyston, and Sparta that will enhance public safety operations and save lives.	Sussex NJ	\$1,334
Township of South Hackensack	To replace the outdated communications/radio system utilized by the South Hackensack Police Department (SHPD).	Bergen NJ	\$210
